

10 minutes a day as a micro phonic burst will really improve confidence, develop skills and memory.

**Ladybird I'm ready for Phonics** is a fantastic app which allows children to explore their way through planets practising their phonics along the way. Planets 1 - 10 support Reception children's learning and Planets 11 and 12 support Year 1 and 2 children. It's £4.99 but worth every penny for use in schools and home.

Fantastic for developing confidence and a love of reading.

**Big Cat Phonics** have produced 8 exciting reading book apps. These are fantastically designed for children to interact with the text in a range of ways from recording themselves read the book, listening to the story, quizzes, interacting with the characters or creating their own versions of the stories. An absolute must for EYFS and KS1 children and they are absolutely **FREE**.

10 minutes a day as a micro phonic burst will really improve confidence, develop skills and memory.

**Mr Thorne Productions Apps** and website including Spell book 1 and 2, Word Wall Paper, Matching Pairs and Tricky Words come highly recommended from us to support phonics and spelling in EYFS, KS1 and KS2 for use in schools and at home. These range from £1.99 to £2.99 - you will get great value for money and plenty of learning!

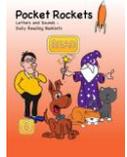

Fantastic for developing confidence and a love of reading.

**Oxford Owl** is an award-winning free website with **250 FREE** tablet-friendly eBooks and activities to help you support children's learning. There is a great range of texts from Project X to Floppy's Phonics and you can select books from an age range. The children can read by themselves and also listen to the stories being read as well.

10 minutes a day as a micro phonic burst will really improve confidence, develop skills and memory.

**Forest Phonics** is an app to support the Higher Levels of Phonics Phase 5 in KS1 and KS2. Children can choose a spelling pattern and they will be prompted to spell ten words using that spelling pattern, e.g. 'ay' words. The sounds are easy to move around using the drag and drop sound cards. Each correct answer is rewarded with a funny animation. The game covers 30 spelling patterns suitable for children between the ages of 4 and 7 years of age.

 <p>10 minutes a day as a micro phonic burst will really improve confidence, develop skills and memory.</p>	<p><b>Check Your Phonics</b> app is a fun way for children, aged 5 – 6 to practise their phonics and get used to the format of the Year 1 Phonics Check. Children can practise reading words that use all 44 phonics sounds, record their voice to see if they’ve read words correctly and build their own alien characters as a reward for completing each of the 4 phonic checks – then watch them have a boogie. Lots of fun and interactive learning.</p>
